Acer palmatum 'Koto no Ito'

Acer palmatum 'Koto no Ito'

Height: 5-6m

USDA Zone: 5

Landscape use: Solitary

"Koto" is a Japanese stringed instrument resembling a harp. 'Koto no Ito' is translated as "String of Harp" as the leaf lobes are very narrow resembling strings suspending around the branches. This soft enchanting tree exudes a peaceful, refreshing calm.

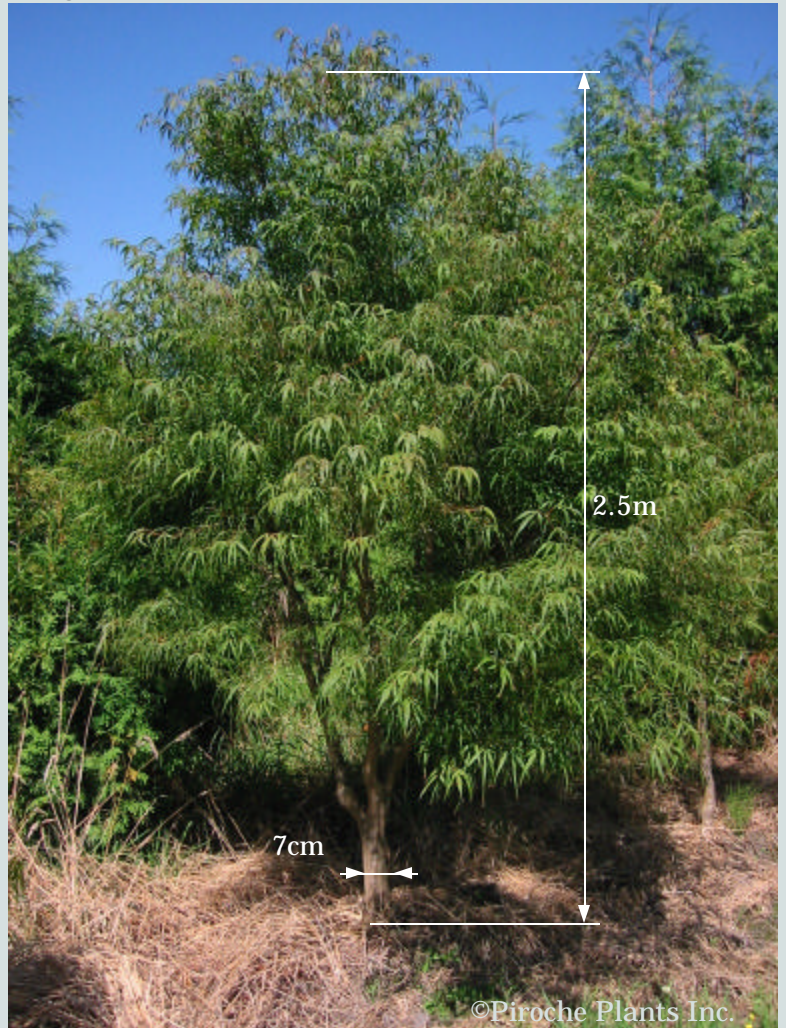

In autumn, the tree is beautiful with green branches against yellow, pink and orange foliage.

'Koto no Ito' is usually planted as a specimen, however, it works well in a group and makes a striking patio container. Usually planted as a specimen, but also it is striking in a group or in a patio container.
