## Asarum delavayi 'Sichuan Splendour' COPF

**Asarum delavayi 'Sichuan Splendour'** (Wild Ginger) COPF pending  
USDA zone 7

Handsome, evergreen wild ginger from Emeishan, Sichuan, China.  
This form develops large heart-shaped leaves to 20cm (8") with  
dark petioles to 30cm (12") and large unusual 3-petalled purple,  
rose and light-green flowers that hug the ground in late winter.  
Best as a container plant in shade and protected from slugs.
