Osmanthus fragrans 'Nanjing's Beauty'^{COPF}

Osmanthus fragrans 'Nanjing's Beauty'^{COPF}

(Nanjing's Beauty Sweet Osmanthus)

Height: 4-6m (15-20 ft.) USDA Zone: 8

Landscape use: Solitary, Hedging or Grouping.

Vigorous variety with bright-red new growth fading to bronze and very long-blooming, fragrant, floriferous, creamy white flower clusters clung tightly to the stems. Blooms in some areas for 9 months. Selected and introduced by Piroche Plants and Pipa Hort. Co., 1995. (China)
